

WEEK 4

Way Truth and Life

John 14: 1-14

Key Verse John 14:6

I am the Way, the Truth and the Life.

No-one comes to the Father except by me.

This is a most wonderful and comforting passage of scripture.

As you read it slowly, think about what the disciples would have heard and how they would have felt.

How do you think Jesus feels at this point?

When do you need reassurance the most?

Who that you know needs to hear this scripture in their life?

What can you do to make that possible?
