

WEEK 5

The Holy Spirit

John 14: 15-31

*I will ask the Father and he will give you another

Jesus talks about the relationship between love and obedience. Are the words of Jesus a threat, a promise or a natural inevitability?

How did the apostles experience of the Holy Spirit measure up against Jesus expectations here?

How does your experience of the Holy Spirit compare?

Why might that be?

Notice that without using the actual word there is Jesus clearest explanation of his place within the Trinity.

How does this help and encourage those who heard Jesus speaking?

What is your biggest takeaway from this study?
